Letters from Leah

August means...

August: the month when summer slides into a new school year for most of Champaign-Urbana. Stores are filled with school supplies. We who live here year-round get ready to welcome 56,000 new and returning neighbors to town.

At CUCC, August brings the Blessing of the Backpacks at worship in the park. Everyone who has anything to do with school goes home with a sweet sticker, or bag tag, a reminder of their belovedness, both by God and by us. August also brings the Quad Day Hot Dog Hand Out. This is the day many of our young new neighbors start to figure out what sort of church we are. We are giving you a FREE hot dog not because we are trying to get you in the door, although you are welcome and it would be lovely if you joined us, and not because we're trying to get you to give your heart to Jesus, but because we're being good neighbors. Welcome. We're so glad you're here. August also brings a barrage of planning: securing Stewardship Chairs, recruiting Sunday School teachers, mapping out music for worship as choir resumes, setting fall dates on the calendar for fun, fellowship, worship, and faith formation. August is also when I start to think about Advent....it will be here before we know it.

This year, August also brings an odd familiarity. With vaccines, boosters, masks, and science on what to do with the air in our spaces, we have moved into endemic mode. Covid is with us, perhaps to stay. Best learn how to live with it so we can really live: last August felt like a dress rehearsal, but this is the show. We continue to make decisions that hold our community's health and safety paramount. We make adjustments as new possibilities arise and as the virus mutates, both. While it is true that we may need to pivot, I'm excited for what is possible.

This August brings a renewed sense of hope in the power of community. We've had enough fellowship activities throughout the summer with folks showing up in record number to know that who we are as a community of faith with one another really matters. I pray that this August will further affirm that connection, that communion we have with one another. If you have been away from worship, I hope you'll return. It's easy to get out of the habit of church. Maybe this is the moment to get back in the habit. As the world continues to careen, wildly at times, the time we spend with one another, both in fellowship and in worship to God, will anchor us. Of this, I am certain. This is what August could mean. I hope it means that for you.

Blessings,

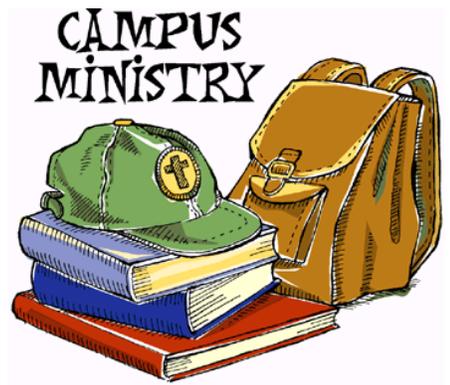

Rev. Leah Robberts-Mosser

Campus Ministry

August is the start of the semester so students will be coming back to campus! It's time for us to get ready to welcome them with the open arms and loving hearts we are famous for. There are a number of August opportunities to do that. First, Quad Day is August 21st and so we will need staff to host the hot dog event as usual. Next, COVID has made it hard to host students for lunch after worship, but as we enter what we hope is the endemic, we would like to find some homes to host students for after worship food and hanging out. We would also like to give students a Campus Home church family. This program pairs students with families who will be their home away from home. If you have extra love in your family and want to share that with a student or two, please let Pastor Nate know. We have and will have more students who have non-affirming families and could really use a loving family to "adopt" them and care for them.

News from the Hospitality Team

August 14 – Pastor Leah and the Worship Team are planning an outdoor service at the Ambucs Park, Jean Driscoll Pavilion, 10:15 a.m. The Hospitality Team will piggyback on that outdoor service and have a cookout and potluck. Hospitality will provide hot dogs (including vegetarian dogs) and brats, condiments, buns, plates, cups, plastic silverware, chips, and water. You are invited to bring a side dish to

share. We will also have an inflatable serving island with ice for your cold side dishes.

August 21 – This is Hot Dog Giveaway Day in our CUCC parking lot for students during the annual Quad Day. We will need LOTS of volunteers to help with this event and to welcome students to campus. We will have a sign-up sheet with various jobs, duties and time slots available for you to sign up to help on August 7th and August 14th – or you can always email or text Peg Wade at: Peg: 217-369-0474, peg.wade@comcast.net

Youth Group

Mark your calendars and plan to join us for a bonfire and planning session at the Lee's house, 409 W. Delaware Ave Urbana, 61801, at **5:00pm on Sunday, August 21**. This event is for 6th -12th graders.

The CUCC Leadership would like input from everyone concerning Youth Ministry going forward here at CUCC. This means even if your children will not be ready for Youth Ministries for several more years, your children are grown and out on their own, or you have no children of your own. All input is valuable and will help guide the CUCC Leadership. The survey is short, only seven questions. Please complete it today. Thank you.

I resume my position as Music Director on August 17, and I would like to encourage anyone interested in singing with us in choir to reach out to me now so I can add you to our choir list. I will be communicating with our current singers soon about what feels comfortable and desirable this coming year so we can offer the most rewarding and safest music experience we can. Stay tuned for information about COVID singing restrictions and the first date that choir will gather.

If you are vaccinated and interested in joining us, we would love to have you! Contact me with any questions you may have: music@community-ucc.org.

988 – new Suicide and Crisis Lifeline

Ever wonder if a person having a mental health crisis would actually call an 11-digit number for the National Suicide Prevention Lifeline? I have.

But as of July 2022, a new 3-digit dialing code, 988, is available nationwide, thanks to the work of the Substance Abuse and Mental Health Services Administration, (SAMHSA), the Federal Communications Commission and the Department of Veterans Affairs. The easy-to-remember 988 number will provide greater access to life-saving services and compassionate care. The 988 number will strengthen and expand the existing National Suicide

Prevention Lifeline, the 11-digit toll free number (1-800-273-TALK).

The Illinois Department of Human Services/Division of Mental Health explains it this way:

“Individuals experiencing a crisis or any other kind of emotional distress-whether that is related to suicide, mental health and/or substance use crisis can dial 988 for support. The Lifeline provides information and support to concerned family, friends and caregivers.” The 988 number provides specialized intervention by trained call takers with advanced training in de-escalation and clinical suicide prevention.

With the suicide rate in the U.S. increasing by 30% in the years from 2000 to 2020, and one death by suicide about every 11 minutes in 2020 alone, this change will be the first step in transforming crisis care for those with urgent mental health needs.

Hallowing our Days – A retreat for aligning our time post-pandemic

Remember when we were all baking bread and gardening? Remember when we couldn't go anywhere so we didn't go anywhere? For many of us, the pandemic was a reprieve from the frenetic pace of our lives. And yet, here we are -- life has ramped back up again. Add to that the way in which covid, and other emergencies, can still upend time in an instant. Time seems meaningless, elastic, and fluid.

Can we pause? Can we be intentional about how we align our time post-pandemic? Yes! Join us for "Hallowing our Days – A retreat for aligning our time post-pandemic" on **Saturday, September 10, 9-1:30 pm** for a day retreat in the Parlor with registration at 8:45 am. We are drawing from resources such as the Seven Sacred Pauses: Living Mindfully Through the Hours of the Day by Macrina Wiederkehr, Pause, Rest, Be: Stillness Practices for Courage in Times of Change by [Octavia F. Raheem](#), and The Mindful Day: Practical Ways to Find Focus, Calm, and Joy From Morning to Evening by Laurie J. Cameron in building this event. You will leave this retreat with practical ways to be more mindful throughout your day without making it more complicated. This retreat is brought to you by The John Bandy Center for Spirituality and Faith.

To register, please let the office know, including any dietary restrictions you may have, by Sunday, September 4. The cost is \$15. Financial assistance is available, please see Pastor Leah.

Resource Spotlight

Don't forget your summer challenge to check out and enjoy at least one book, CD, or DVD from the Bandy Center before the fall. Then let me know whether or not we should recommend it to others. Also tell me what other books you'd like us to add to the collection. Remember, the Bandy Center is yours!

I was amazed 3 years ago by what is included in spirituality and faith and in the Bandy Center. You will be too. Currently, I'm reading The Caregiver's Book by James E. Miller [248.89 MIL], a powerful book with 8 themes, useful suggestions, gorgeous photos, and poems and quotes. As I spend many hours weekly helping my brother and visiting my mother-in-law, I have found great ideas and positive thoughts in these 62 pages. I'll return it by mid-August, but the Bandy Center has many other books on health, exercise, caregiving, meditation, etc., in addition to all the books on faith and religions around the world, ready for you to check out today. Don't forget the children's books in the cabinets to the right of the parlor fireplace. Connie has really enlarged that collection, too. Enjoy! – Patty Gropp

OWL is coming to CUCC

Our Whole Lives (OWL) is coming to CUCC! Thanks to initiative by Alison Anders, and CUCCers who have committed to training and teaching (Johnell Bentz, Larry Lee, Laura Stevens, David Willcox, and Pastor Leah along with Alison, Brin Schuler, and Jeanne Ward who have yet to be trained), we are pleased to be able to offer this faith formation experience for our 7-12 grade youth.

Our Whole Lives is a progressive approach to sexuality education that deals with the totality of human sexuality in a developmentally appropriate manner. It is based firmly on the values of self-worth, sexual health, responsibility, justice, and inclusivity: As a result, the program takes a stand on gender equity and the inclusion of gay, lesbian, bisexual, and transgender issues, which are often excluded from traditional curricula. Criteria for sexually healthy relationships are clearly laid out as yardsticks for making decisions. Our Whole Lives helps young people adopt these very human values, and it provides them with information and skills they need for life.

Most parents/guardians want to do the best they can to influence their children in positive ways, but they may lack the skills, resources, or comfort to do the best job possible. When dealing with them, maintain an attitude of respect and understanding. Always present yourself as an ally; sharing the goal of helping children become healthy and responsible sexual beings,

Many parents/guardians are genuinely scared for their children. They worry about negative things that can happen: sexual abuse, harassment, rape, adolescent pregnancy, premature parenthood, sexually transmitted infection. They are also afraid of doing the wrong thing: starting sexuality education too early or too late, giving misinformation, or robbing their children of their innocence,

In addition, some well-intentioned parents/guardians continue to believe the following *myths*:

- Information about sexuality is harmful to children,
- Sexuality education leads to experimentation,
- Giving adolescents information about contraception and condoms in addition to information about abstinence sends a double message that will encourage teenagers to have sexual intercourse,
- Lesbian, gay, bisexual, transgender, and queer children are in other families, not their own,

These messages may be offered with good intentions and by caring people, but they can have a chilling impact on a child's ability to become a healthy sexual adult. Many children are unable to shed these lessons once they enter adulthood. Most parents say they want their children to grow up to be loving, responsible, and responsive sexual partners in appropriate adult relationships. But how does a parent/guardian raise such a child? What are the facts, attitudes, and skills children need to develop into adults who are sexually healthy and responsible?

One of the best ways to provide these facts, attitudes, and skills is for parents/guardians to encourage their children's participation in this comprehensive program. It's normal for parents/guardians to worry about their children. Your role is to listen, to be completely open, and to provide any information they request. When they see that you know what you're talking about, that you care about their children, that you want to support them in their role as sexuality educators of their children, and that you are a well-trained, ethical person, their comfort will increase dramatically.

Most parents/guardians did not grow up in homes where sexuality was discussed openly. As a result, they may carry old scars and lack models for creating an environment that is affirming of their children's sexuality. Often, once parents/guardians begin to review their own sexuality education during this workshop, they begin to assess and heal their own wounds. Many acknowledge that they don't want their children to grow up with the ignorance, secrecy, and shame that they experienced around the topic of sexuality.

This is why OWL was created. If you are interested in having your youth participate in the program, please contact Pastor Leah by August 21. Because youth are divided into two age groups for OWL sessions, the teaching team must gauge interest. Look for information about parent orientation session – these are required, and your youth will not be able to participate without your participation in them. Look for information to come about a worship series that lifts up the OWL values and principles. Lastly, if you have any questions, don't hesitate to be in touch with anyone on the OWL teaching team.

July 11, 2022 -- When I was a little girl my family would go to a restaurant called a smorgasbord. It was basically a buffet, but as a little girl I was dazzled by the array of wonderful foods and excited that I could choose whichever of the mouthwatering dishes sounded best to me. Last night Jubilee brought that excited feeling back as we were able to offer our 60 guests four meat choices and one veggie: Baked Rigatoni w/ Beef and Veggies, Chicken Burrito Casserole, Veggie Burrito Casserole, or Southwest Chicken Sausage Bake, all with a fresh summer salad. We also had three dessert choices of Chocolate Chip Cookies, Blueberry Peach Cobbler, or Mexican Chocolate Bread Pudding all made in our own kitchen. We had choices of Ice Water or Icy Sweet Lemonade to drink. Sola Gratia gave us several summer veggies for our guests to take, including cabbage, zucchini, cucumbers, and some lovely pattypan squash. Special thanks to all of our supporters and our amazing kitchen crew, led by Anna, for making these amazing choices possible. -Ann, volunteer

July 25, 2022 -- 56 BBQ Vegetarian Sloppy Joes with coleslaw and housemade pickles went out the door. We were slow tonight, but folks were chatty and grateful for the delicious meal. We also offered dessert options of chocolate cake, peach, or apple pie along with groceries and personal supplies. Today we had ponchos. It's going to rain this week!

Our friends at [Sola Gratia Farm](#) provided gorgeous veggies from the farm tonight. Guests had their choice of eggplant, squash, herbs, peppers, greens, and more. Check the photo. We would still gladly welcome your donation of gently used spring and summer jackets. If you have one to offer you can drop it off during regular business hours or on Sunday morning. Thanks for loving our guests as much as we do. This ministry happens because you help it happen.

Mission Ministry

5k For Climate Justice

We are joining the Global Ministries Team of the United Church of Christ and Christian Church (Disciples of Christ) in putting together a 5K for Climate Justice. The idea is that individuals can register to do a 5K (either running, walking, jogging, or rolling) sometime during the month of August. We have selected two Saturday mornings in August if you would like to do the 5k together as a group. At **8:30 am on August 6**, Kristy will lead a 5k at **Lake of the Woods in Mahomet**. Also, at **8:30am on August 13**, Kathy Lee will lead a 5k in Urbana **beginning and ending in Blair Park**. Jeanne will be walking both days for anyone who would like to walk. There is a \$25 registration fee, although if the fee is a barrier to your participation, please contact Jeanne or Kristy and we can use some mission money to assist. After registering, you may choose to attempt to raise additional funds by setting up your own fundraiser page, but this is not required for participation. In addition, if you don't want to participate through activity, you can access the page and simply click that you'd like to donate to the cause. The money raised is being used to tackle climate justice issues for people who are in areas around the globe most affected by changes related to climate change. To register to participate or to donate, go to this link: <https://runsignup.com/cucc>. If you need a password to sign up, try CUCC2022. Please contact Kristy Brownfield, Kathy Lee, or Jeanne Ward with any questions.

One Great Hour of Sharing

One Great Hour of Sharing is one of four special mission offerings of the United Church of Christ that CUCC participates in. This offering supports the disaster, refugee, and development of ministries of the UCC in the wider church ministries. Watch for the opportunity to donate to this special mission on **Sunday, August 7 and Sunday, August 14** or online at www.community-ucc.org and click donate

School Supply Collection

We are collecting for the school supplies for Church World Services. Our kids will assemble the kits in mid-August, which will go to children who need them. Please see the supply list below for what is needed. The list is very specific, as the kits need to weigh a standard amount so that the shipping is not complicated. Don't buy things that are not on the list. We've placed a collection box and physical copies of the shopping list that you can pull out and take with you as school supplies go on sale. We will keep you updated as supplies start to come in as to what we need to complete the kits. Thank you in advance for your help!

- One pair of blunt scissors removed from the package (rounded tip, only)
- Three 70-count bound notebooks or notebooks totaling 200-210 pages (no loose-leaf or filler paper)
- One 30-centimeter / 12" ruler
- One hand-held pencil sharpener removed from the package
- One large eraser (no pencil cap erasers)
- Six new, unsharpened pencils with erasers (please remove pencils from the package)
- One box of 24 crayons (only 24)
- One 12"x14" to 14"x17" finished size cotton or lightweight canvas bag with handles (solid color or kid-friendly fabric, no logos, reusable shopping bags or backpacks)

Caminos Program Needs

Caminos Program through Cunningham Children's Home (which provides a temporary home for unaccompanied immigrant minor until they can be reunited with family) continues to have needs that we can help with. They continue to need the items that are on the wish list we've sent out previously. But in addition, they need some bicycles, bike locks, and bike helmets. The email we received from Cunningham says: "We could use 3 adult/big kid bikes, 24-inch to 26-inch wheel size. Gently used or new bikes are welcome. We also need bike locks and new or never used bike helmets. We will also accept bikes as small as 18-inch wheels, but the majority of our youth are bigger and can universally use the larger or adult bikes." So, if you have a gently used bike or are willing to purchase one, or a helmet or bike lock, this would be a great place to donate them! Jeanne or Kristy would be happy to help with pick up from you and transportation to Cunningham - just let us know!

Upcoming Opportunities

We will have more information coming regarding working with the Trauma and Resilience Initiative, as we figure out how to best partner with them.

Your Mission Ministry Team Leaders,
Kristy Brownfield and Jeanne Ward

News from the Hospitality Team

Throw a party and CUCCer's will be there! We had 35 attend CUCC's Ice Cream Social Friday, July 29th at Hessel Park. It was a lovely night to be outside enjoying each other's company. There were 6 flavors of ice cream from which to choose (Chocolate, Vanilla, Mint Chocolate Chip, Moose Tracks (peanut butter cup), Cookie Dough and Rainbow Sherbet) and several different toppings (chocolate syrup, caramel syrup, m & m's, sprinkles, cherries and whipped cream). Chase Skye planned a game, "Who Am I", which everyone had a fun time playing. We each had a name of a famous person on our back and went around asking only yes or no questions to try to guess the name on our back. Several people also stayed to watch the Park District's Friday night movie in the park, "Viva Las Vegas". Fun, ice cream, laughs and conversations made for an enjoyable intergenerational evening event.

Individuals Together

Linda Morgan, Keri Evans, Lance Larkin

Individuals Together, CUCC's social group for people who live alone for any reason, either part time-or full time, is finding lots of opportunities to stay connected. It's nice to enjoy the company of others in similar circumstances and attend activities whenever it works for each of us!

On **July 1**, three of us attended **Friday Night Flix** to watch the movie "Sing 2" at Hessel Park. It was a great evening and we even enjoyed snacks from Keri during the movie!

If you'd like more information on this group or would like to be added to our email list of upcoming events, please contact Linda Morgan at 217-649-3778. We try to plan ahead, but sometimes fun sounding events come up in a hurry!

On **July 15**, four of us attended a **CUTC production--a Murder Mystery dinner** at the Holiday Inn. It definitely kept us on our toes, trying to figure out who the "murderer" was!

Save the date of **August 27** for a miniature golf outing! Details to be announced soon.
